# Al-Jalil Enterprises

“Your trusted source for premium talc.”

# About us

At **Al-Jalil Enterprises**, we believe in building trust through quality. Since **2010**, we've been proudly connecting some of the finest talc deposits from Afghanistan with industries around the world. With our head office in Peshawar and site office in Jalalabad, we've created a strong network that ensures smooth supply and reliable service for every client.

Over the years, we've supplied more than **150,000 MT** of talc to respected partners like Faith Minerals, Northwest Minerals, Omar Associates, AS Natural Stones, and Jaza Minerals. With two modern processing factories in **Afghanistan** and a dedicated storage facility in Peshawar, we make sure our customers always get top-quality products, right on time. g
